

Innovation Membership

The Retrofit Academy CIC is working with selected manufacturers and suppliers to raise awareness and build their profile in the retrofit best practice community.

We have led the way in building a professional community in retrofitting and will continue to push the boundaries.

- We developed the qualifications that upskill them
- We have trained over 7,000 retrofitters
- We organise their national awards
- We curate their national conference
- We organise their Clubs and Forums
- We influence and represent them at the highest level

Now we're going to accredit and support their continuing professional development.

RETROFIT
ACADEMY CIC

The Retrofit Academy's Mission is to **attract, train and develop 50,000 retrofit professionals** by 2030.

The Retrofit Academy is the leading **Professional Development Partner** for retrofit professionals and their employers.

The Retrofit Academy Professional and Corporate Membership forms **a community of best practice driving retrofit quality at scale.**

This community needs to understand and experience the products and technologies that will make this possible. That's where our **Innovation Membership** comes in.
